

**Plug and Play+Bypass(Single-end)**

UL TypeA+ TypeB

Glass+Film

Item No.:L02791-XXH

15W 2100LM

Beam Angle: 180°

Voltage:AC120-277V

PF :0.9 CRI:80

THD:≤20% Life:50000H

CCT:4000/5000K

Base Type:G13

Materials:Glass+Film

## Features

- 4 FT length.
- This tube can work with most of Instant start ballast.
- This tube can work without ballast at AC120~277V, Bypass only specified Single-ended input installation.
- Glass+Film tube for increased light diffusion efficiency.
- Wide Beam angle.
- Instant On / No Flicker.

## Applications

- Factories, shopping malls ,schools , warehouses, corridors ,hotels ,offices,showrooms etc.
